DETAILED ACTION

Allowable Subject Matter

1. Claims 31-34 are allowed.
2. The following is an examiner's statement of reasons for allowance: prior art fails to teach or fairly suggest an image pickup apparatus wherein the number of the plurality of pixels to be subjected to addition by the first addition portion selectively is made different from the number of the plurality of pixels to be subjected to addition by the second addition portion, so that a spatial color arrangement before the addition becomes the same as the spatial color arrangement after the addition in combination with the other elements claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
